

Grounds and procedures for the dismissal of volunteers

- The station has the right to dismiss a member based on non-compliance with the station policies that includes; “Volunteer Duties Statement” , “Rights and Responsibilities to Volunteers”, “ Rights & Responsibilities of the Volunteer at 2MCR ” and the formal agreement on the time of becoming a member; under the document “Members/Presenter Agreement”, and will be decided at the earliest management Committee meeting with the majority of approval from the committee members. The member is then notified within 30 days of the meeting in writing, and his rights to enter the station and to make use of the equipment is removed immediately.
